

5 November 2015

Dear Parents

As you know, Clifton is committed to being a paperless school and to taking advantage of the latest technologies and the benefits of electronically enhanced learning. All boys from Grades 8 to 12 must own an Apple iPad capable of running iOS8 and will need to register their device with the school's System Administrator. Registration will involve installing a Mobile Device Management (MDM) profile on the device and each boy will receive a network username and login. Boys can access the database of notes relevant to their subjects and will have internet access. Please be advised that we do not allow jailbroken devices or alternative DNS and that we have strict terms of use which are outlined in our **eLearning Policy**, available on the school website. iPads are used primarily for viewing digital content and boys will still produce the majority of their own work with pen and paper and will still engage with traditional textbooks and a variety of other sources and media.

Please take note of the specs and requirements below:

iPad Specs

Our minimum requirement is a device that can run iOS8 and we recommend:

- iPad Air, 32 gig, wifi
- iPad Air 2, 64 gig, wifi
- iPad Mini 2, 32 gig, wifi
- iPad Mini 4, 64 gig, wifi

The following apps are required for boys:

COLLEGE	Current Cost
Meraki MDM	Free
Keynote	Free for iPads older than August 2012. Or R139.99
Goodreader 4	R69.99
Explain Everything	R54.99

For any queries regarding your son's iPad, please contact me at iboniaszczuk@cliftonschoo.co.za.

Yours faithfully

IVAN BONIASZCZUK
DIRECTOR OF eLEARNING
