Dear Parents

Below is a list of the required iPad Apps for 2016. Please make sure that your son has all these apps downloaded for the start of 2016. Some Apps on this list may have already been purchased/downloaded last year. Please put all Apps into a folder called Clifton School on the first page of the iPad.

Included on Page 3 is a diagram showing age restrictions for various applications and social media. We urge parents again to be vigilant and to ensure that they are aware of the platforms that their son/s access and how they communicate.
